AMERICANOS QUICKSTEP STAKES.

"Lucky" Baldwin's hammer-headed son of Emperor of Norfolk, Americano, won the Quickstep Stakes at Washington Park yesterday, in a decisive way. He was the actual favorite at the post and heavily played by the public. There was little class to the field of ten, from which Savable, Mary Lavana and Watkins Overton were missing, though John Drake sent out his massive St. Simon colt, St. Dory, and the Schorr stable added John A. Scott. It took Mr. Dwyer twenty-five minutes to get the field away in good array. Master Dominick and Stem Winder caused most of the trouble. There was little to the race. When well in full motion on the turn, Stem Winder was leading and the Baldwin colt closing on him. Americano got the Texan as they came into the straight and from there home, Americano merely had to be hand ridden to win with ease by four lengths. Sidney C. Love came like a giant on the outside in the last eighth and nailed Stem Winder at the finish. Captain Arnold would have beaten the Texan, too, but he had been used too much to get to his horses after a poor dispatch and hung so at the end that Joe Buckley, too, beat him. The latter ran a fair race, but was lucky. Queen Elizabeth, the handsome filly from the Morris stable—a full sister to Old England—showed a lot of speed. So did Silver Fringe, but, after chasing Americano and Stem Winder for three furlongs, she stopped and drifted back.

The tabled history of the Quickstep Stakes is shown below:

Year.	Horse.	Wt.	Strs.	Value.	Time.
1884	Mission Belle	107	14	\$3,370	0:49
1885	King of Norfolk	115	19	1,820	0:50½
1886	Faster	102	8	1,485	0:48¾
1887	Raceland	117	13	1,750	0:48¾
1888	Galen	110	16	2,165	0:48
1889	Penn P.	123	13	2,630	0:50
1890	Sister Linda	120	16	2,355	0:51½
1891	Bashford	118	14	3,280	0:51¾
1892	G. W. Johnson	118	12	3,450	0:48¾
1893	Flirtation	120	17	4,340	0:49
1894	Frank K.	118	9	3,270	0:48¾
1898	W. Overton	125	8	2,320	0:48¾
1900	Miss Bennett	122	7	2,300	0:48
1901	Abe Frank	125	8	2,820	0:49½
1902	Americano	111	10	2,880	0:53¾

The day's opener was taken by Albemarle, heavily played by a few wise punters, who got on at 12 to 1. Albemarle was much the best, displayed the most speed and won with plenty to spare by one and a half lengths from Lady Jocelyn, which beat Galba six lengths for second place. Ontonagon and Corsica ran prominently for three furlongs and then fell away badly beaten. Senor tired fast in the final eighth, losing third place by a head.

Hunter Raine, showing much improvement over his last effort, closed up fast in the last quarter of the second race, and, catching the tiring Brulare in the last seventy-five yards, beat her to the wire by a length, with Last Knight a fair third. Brulare appeared to be the winner in the last eighth, but hung badly in the closing strides. She has evidently had too much effort lately against horses of a little higher class than that which she possesses. Jessie Jarboe showed a likely turn of speed for six furlongs and then tired rapidly on account of being ridden too hard in the first part of the race.

Wild Pirate was lucky to win the fourth race, the most stirring contest of the day. He and Barrack hooked up in a desperate and exciting last eighth struggle, but Nutt, as usual, was of little help to the willing Barrack, allowing J. Walsh to outdrive him in the closing strides and shave Wild Pirate under the wire a short head to the good, with Bragg third, one and a half lengths back. Bragg was a keen contender up to the last sixteenth, but tired from there to the wire. Alfred Vargrave appeared to have a chance in the last eighth, but had enough when the keen action came up between Barrack and Wild Pirate. Prowl fell away badly beaten turning for home.

The fifth race proved an easy effort for C. B. Campbell, which began slowly, but, after the first

quarter had been run, moved up on those in front of him fast, and, after turning into the stretch, had things all his own way. He won easily by a length from Rose Tree, which threatened to give him an argument for a moment at the last eighth post, but sprawled badly in the closing strides. Inspector Shea finished third a length behind Rose Tree. He made up considerable ground in the last half mile and finished with a rush. Stuyve was well beaten turning for home.

Colonel Ballantyne won the last race by a half length from Star Cotton, with Jerry Hunt a beaten off third. Star Cotton swerved badly in the closing strides toward the inside rail, or else he should have given the winner a hot argument at the end.

The usual large crowd was on hand, but the betting was comparatively light. The track, although heavy and lumpy, was drying out fast, but at the best will be slow this afternoon, provided no more rain falls.

LOCAL TURF GOSSIP.

Racing at Washington Park begins this afternoon at 1:30 sharp, as it always does on the "Glorious Fourth." Those who wish to view the three races that precede the main feature of the day, the Sheridan Stakes, will do well to bear this in mind and strike out for the track early. A huge crowd will be in attendance and the early arrivals will secure the best seats and best points of view.

The work on the new Hawthorne establishment is moving on, though slowly. The concrete foundations for the main pillars are down and many car loads of structural steel are on the railroad tracks at the side of the enclosure.

As the youngsters for the first race were going from the paddock on parade, Ed Corrigan was looking on. Galba, his entry, filed past. "There's mine," he said, "but there's a better looking one," as Albemarle came past. "I believe I'd rather have him than mine." Albemarle won and is a grand colt, exactly the color of Galba, but bigger and a finer type of a colt.

The bad condition of the track has served to keep several colts from starting for the Sheridan Stakes that would be sure to go to the post if the going was good. The three placed horses in the American Derby are all that are carded to start, but added starters are not improbable. As it is, however, if only the three named go to the post the race is bound to be highly interesting and mayhaps exciting. American Derby winners have often been beaten in the Sheridan Stakes, and so well have Lucien Appleby and Aladdin performed since the Derby was decided that each will be sure to have strong backing to defeat Wyeth. The latter's seven pounds penalty may prove an important factor in case of a close finish.

E. J. Baldwin scored his first victory yesterday since his arrival on the local tracks from California. Americano, which carried his colors in the van of a good field of two-year-olds in the Quickstep Stakes ran a sparkling race and it is safe to predict that the brother to Cruzados will prove a sharp factor from now on in fields of horses of his own age.

John C. King, one of the good two-year-old colts in the stable of M. H. Tichenor & Co., picked up a nail in his foot while being exercised. Although no serious trouble is anticipated on account of the mishap, it will necessitate a let-up of a few weeks in the colt's training.

Esherin, from the stable of J. W. Schorr, which started in the first race yesterday, ran in striking contrast to her previous effort on which occasion she finished second.

Jessie Jarboe started out to spread eagle her field in the second race. At one time she was fully ten lengths in front of her field, but she tired and quit badly in the last quarter and finished outside of the money. Her doing so cost her owner, Mose Goldblatt, \$400 which he had bet on her against \$200 to show.

J. F. Barrett is certainly having his share of ill-luck with his good mud horse Barrack. Twice within a week has he lost a race by a small margin simply through a bad ride.

Eddie Cassin disposed of Dark Secret yesterday to Danny Lynch for a consideration supposed to be \$800.

OBSTINATE SIMON SOLD.

FT. ERIE, July 3.—J. J. Marklein today bought Obsolete Simon from R. F. Meyers, giving Ditty and a money consideration in exchange.

RACES POSTPONED.

PROVIDENCE, R. I., July 3.—Because of a heavy rainfall that rendered the track a quagmire the races scheduled for today were postponed and will be run tomorrow. Entries stand.

NOTES OF THE TURF.

An idea of the interest in racing in the east, aside from the fact that every man who owns a horse he thinks has a "look in" is sending him east, may be gained from the number booking in the free field at Sheepshead Bay. Underneath the grand stand in that field, where is located the betting ring, are 138 bookmakers, all doing a tremendous business, giving better odds than in the big ring and taking wagers from fifty cents to \$5.

A. R., Chicago. Peat was 3 to 5 to show in the fourth race of July 2 at Washington Park. It was omitted by oversight.

This is the last day of the summer meeting of the Coney Island Jockey Club, with the Lawrence Realization as the big race of the day.

AMERICAN JOCKEYS IN FRANCE.

Concerning the fortunes and misfortunes of the colony of American jockeys riding in France, a dispatch from Paris June 19 said:

"As a result of the riding of the American jockeys in the race for the Prix Rocquencourt, at the Bois de Boulogne meeting today, the stewards of the Jockey Club have begun an inquiry into their conduct. The race was run by W. K. Vanderbilt's Bright, ridden by McGinn, with Astrome (Milton Henry) second, and Azay (Rigby) third. The only other runner was Keepsake, ridden by Stern, an English jockey. Protests were entered at the conclusion of the race that Stern was obstructed.

"The talk of racing circles recently has been the feud between the American jockeys and their English rivals. The latter greatly resented the American invasion of the French turf, which they regarded as their preserve, and they were further excited by the series of American successes. At the same time there is considerable dissatisfaction among racing men at the methods adopted by the American jockeys, and on several occasions the French press has taken the side of the Englishmen, especially in the case of Stern, who has held his own against his American competitors, and who is said to have been picked out by the latter for obstructive treatment.

"The feud first took a serious character at the Bois de Boulogne meeting of June 10, when jostling occurred between the Americans and Stern in the race for the Prix Chaton, during the course of which Stern slashed one of the Americans across the face with his whip. Stern, who was then riding the favorite, was only able to finish fourth, Americans taking first and second places. Stern complained to the stewards that the Americans corralled him and prevented him from winning. The stewards, however, decided to only give the Americans a warning, because Stern had put himself in the wrong by using his whip.

"Several similar instances happened at the Bois de Boulogne meeting on the following Thursday. In one race an Englishman, Harrison, complained of the behavior of J. Reiff, and in another race

GOSSIP OF THE TURF.

Concerning the Brighton Handicap, which will be run at Brighton Beach tomorrow, a New York dispatch of Wednesday says: "Secretary John Boden, Jr., of the Brighton Beach Racing Association, said today that the field for the Brighton Handicap on Saturday promises to be a large one. The probable starters and weights are: Gold Heels, 126 pounds; Blues, 123 pounds; Bonniert, 121 pounds; Herbert, 119 pounds; Ten Candles, 118 pounds; Water Cure, 110 pounds; Argregor, 105 pounds; Morningside, 103 pounds; Port Royal, 100 pounds; Contend, 99 pounds; Keynote, 93 pounds, and Northern Star, 90 pounds. If this field comes to the post speculation will be heavy.

"While Gold Heels will be a pronounced favorite the recent good form of Argregor and Port Royal, to say nothing of Morningside, will have an effect on the market against the favorite. All three of the lightweights named will take a lot of beating under the conditions, as their recent races at Sheepshead Bay show.

"C. T. Boots today placed \$500 on Argregor with Joe Vendig's book at 8 to 1, showing the faith he has in the ability of his horse to beat Gold Heels and all comers. In Argregor's win last week he ran the mile and three sixteenths in 2:00, or at the rate of 2:06½ for a mile and a quarter. This was with 99 pounds up.

"A wager of \$300 at 10 to 1 on Port Royal, laid by the same bookmaker to a backer who is a close friend of James Rowe, the trainer, indicates that the latter likes his colt's chances for the Brighton. From selling races to stake contests is a wide gap for Port Royal to bridge in a couple of weeks, yet that is what he has done. His mile in 1:40 a dead track Monday, with 106 pounds up, was good effort, and he finished as if he could go on. With 100 pounds up on Saturday Port Royal may repeat Conroy's Brooklyn Handicap feat of last year for the Keene 'spots.'"

there was renewed jostling, and an American, McIntyre, gave Stern a blow with his whip, for which the stewards suspended McIntyre for the next meeting.

"In the following race there was more trouble. Stern, who won, was disqualified and suspended for the next meeting for pushing Thorpe, an American, against a fence. After the weighing in Thorpe struck Stern twice with his fist. There was no further trouble until today."

WELL I GUESS

that the telegram I sent all my clients yesterday more than "made good." The satisfaction is not only in having sent a winner, but from the fact that I wired the same horse on Tuesday, and in these columns Wednesday made the assertion that we were that day only beaten two noses at a long price by a "fluke." Look back at Wednesday's Racing Form, and it will verify me. The horse I have reference to was "WILD PIRATE," which won yesterday at 3 to 1, and it was positively the only horse wired by me yesterday. My telegrams are always sent in code, and yesterday the message received by all my clients when translated read:

"Play Wild Pirate Again; Should have won a block Tuesday."

True, the price was not so large as those I usually send, but it is particularly pleasing to have my friends on a winner, even if the price is but 3 to 1.

My record of the week up to date is as follows: Have wired four horses, three won and one beaten two noses, running third after being backed from 25 to 1 to 10 to 1. They were:

Monday "Sigmund" (won) 15 to 1.

Tuesday "Wild Pirate," 3rd, 25 to 1.

Wednesday "Evelyn Byrd" won) 5 to 1.

Thursday "Wild Pirate" (won) 3 to 1.

I believe that you will agree with me that this is winning information. I don't claim to send all winners, nor do I claim to know all the good things that are coming off at the tracks; but I guarantee you that if you will follow me conservatively and consistently, placing an equal amount on every one of the horses I send you from time to time, regardless of its price, whether it be 1 to 100 or 100 to 1, you will get the money. There has never been a client who followed me in this manner, but could show a good "bank roll." The only trouble with the average race follower is, that he is not content to play a few good things a week and make an easy living, but when he hits a poolroom or a race track, he "shoots at the moon." If it's at the race track, some friend hands him one in every race; if it is in a poolroom, he wants to pick one on every card that goes up and then kicks because they are only taking Chicago, New York and St. Louis races, for these only give him eighteen chances a day to display his guessing. I don't care much about having this sort of players on my list, but I do wish to hear from players who like to make an occasional bet, get the money and treat me honestly afterward.

I am the originator of the "MUTUAL INTEREST METHOD" of doing turf business. I pay good cash for honest information, and have in my employ the best track experts obtainable. I demand good service from them and pay them accordingly. To put it plainly, I buy at wholesale and sell at retail. It is only by my immense number of subscribers, who treat me fairly, that I am able to give them the service I do on such easy terms. I take all chances, knowing my information and its source, and my motto has always been:

"NO WINNER

NO PAY."

Instead of money in advance, bet \$2 for me on the horse I wire you. Be honest and prompt in your dealings with me and I'll protect you. To save my stable friends from criticism all my telegrams are sent in code. I will mail you same on receipt of your application.

Enclose 25 cents with your application as an evidence of good faith, the same being accepted by me only as a deposit and guarantee against loss by refusal of telegrams.

Today being a national holiday, the telegraph companies accept telegrams only "subject to delay." Because of this fact, and that the majority of my subscribers are business and professional men, whose stores or offices will be closed today, I will take advantage of the Racing Form's columns to give them what, from actual observation and inside stable information myself and my track watchers know is fit to win, will carry the stable money today and win sure, bar accident. My subscribers are advised hereby to bet the limit on:

Green-Key-Hen-Sad

Don't make any mistake, and be sure and use my July code on the above. As the Racing Form reaches all the nearby cities by noon, and my clients are invariably readers of the same, I shall expect them to accept the same as if wired direct, and shall look for settlements accordingly. Address

WYETH IS A GOOD THING—PLUNGE ON HIM.

SIXTH RACE 6, 7, 8 or 10 to 1 good thing. This is the greatest chance of the season to win big money with small capital. We consider these three long shots better than the three long shots we gave out Derby Day, Wainamoinen, 3 to 1; Alfred Vargrave, 6 to 1; Brownie Anderson, backed from 30 to 1 to 12 to 1, given to 500 followers of the Race Track Information Bureau. They all won easily.

Saturday Two Long Shots on Tap.

OFFICE OPEN UNTIL 12:30 JULY 4TH.

FORM LETTER HANDICAP ON SALE AT 9 A. M.

Also sold at Grand Pacific, Great Northern and Sherman Hotels in rotunda at cigar stands; Kolman's cigar store, 267 Dearborn St.; cigar stand in Adams Express Building, 185 Dearborn St., and news stand, northwest corner Clark and Madison Sts.

JESSIE JARBOE.

I sent this mare to my clients Tuesday because I knew she was good and that a large amount of money would be bet on her. She would have won but for the delay, when bets were declared off.

I WENT RIGHT BACK

and sent her Wednesday, as I knew the race did not hurt her, as she had a good preparation and the connections intended to bet. The price was only 4 to 1; that was pretty good, for Jessie Jarboe tow-roped her field and won as she pleased.

AMERICANO

was what my clients got Thursday and all I hope is that they got the first betting as our wire instructed;

My July 4th Special

will be sent to my clients today in my Washington Park code, as advertised. Enclose 25 cents to guarantee acceptance of telegrams and bet \$2.00 for me straight, remitting promptly the winnings. All I ask is for you to be fair and I will send you the winners.

Winner—B. c, by Deceiver—Fable (trained by F. C. Moshier).
Went to post at 2:30. At post 3 minutes. Start good. Won easily; second the same. Albemarle was the best, showed the most speed and won as his rider pleased. Lady Jocelyn was much the best of the others. Galba finished strongly, just getting up in time to nip Senior on the post for third money. Corsica showed much speed, but fell away beaten a furlong from home. Ontonagon ran well for about three furlongs, but ran nowhere near to his best form.
Scratched—3251 Captain Arnold, 108.
Overweights—Captain Hugh Bradley, 14 pounds; Galba, 1; Ontonagon, 3; Corsica, 1.

Winner—B. c, by Longstreet—Charterhouse (trained by J. Fay).
Went to post at 3:05. Off at the first break to a good start. Won driving; second easily. Hunter Raine closed up much ground in the last quarter, stood a long drive with gameness and caught Brulare tiring in the last seventy-five yards. The latter appeared the winner a furlong out, but tired rapidly in the closing strides. She has a bad knee and has had too much racing lately which has taken the edge from her speed. Last Knight closed stoutly. Jessie Jarboe showed much early speed, but fell away badly beaten turning for home.
Hunter Raine, show, evens. Brulare, show, out. Last Knight, show, out. Jessie Jarboe, show, 2 to 5.

33440 THIRD RACE—1-2 Mile. 2-year-olds. Allowances. The Quickstep Stakes. \$2,000 added; \$400 to second; \$200 to third. Net value to winner \$2,880.

Went to post at 3:35. At post 25 minutes. Start good. Won easily; second handily. Americano showed much speed and came away with ease from the field in the last eighth. Sidney C. Love finished strongly. Stem Winder showed more gameness than usual, but was tiring in the closing strides. Joe Buckley appeared to have a chance turning for home, but tired fast when the pinch came. Silver Fringe, as usual, showed early speed. Captain Arnold, off almost last, moved up fast in the first quarter, but tired in the last eighth.

Winner—Br. g, by Pirate of Penzance—Right Wild (trained by J. Burns).
Went to post at 4:30. Off at the first break to a good start. Won driving to the limit; second handily. Wild Pirate ran to his best form and responded gamely in the desperate last sixteenth struggle. Barrack was undoubtedly the best but Nutt was of little help to him in the closing strides and was clearly outridden by J. Walsh. Bragg tired slightly in the last sixteenth when he appeared to have a chance. Alfred Vargrave was right there for seven and a half furlongs. Prowl had enough turning for home.

Went to post at 5:00. At post 3 minutes. Start good. Won easily; second the same. C. B. Campbell began slowly, but moved up fast after the first quarter had been run and finished strongly. Rose Tree was much the best of the others. She appeared to have a chance to win at the last eighth post, but tired when the pinch came. Inspector Shea ran an impressive race, making up considerable ground in the last quarter and finished with a rush. Stuyve had enough a furlong out. Regia showed early speed.

Went to post at 3:00. At post 6 minutes. Start good. Won easily; second the same. Brown Vail found the track to her liking, was always in the lead and won easily. Hand D., evidently short of condition, ran a good race and finished gamely. Sly Maid made a bold bid at the stretch turn, but tired in the run home. Went to post at 3:00. At post 3 minutes. Start good. Won handily; second the same. Plohn, skillfully handled, trailed the pacemakers to the stretch, where he came along with a rush, ran the best race of his career and is an improved horse. Went to post at 3:30. At post 5 minutes. Start good. Won easily; second driving. Hurstbourne beat the gate and quickly took a long and winning lead, which he retained without much effort to the end. Alsono finished well in the best going and was lucky to beat the badly ridden Rightful. The latter raced in the mud next to the rail and was too much used in trying to outrun the winner early. Went to post at 4:00. At post 5 minutes. Start good. Won with all driving to the limit. Dublin showed the way today at a tremendous clip and held on unexpectedly well. Highlander beat the gate, but Martin failed to take advantage of it, trailed the pacemakers to the stretch, came through next to the rail in bad going and suffered from a weak finish. Old England waited on Dublin, but failed to hold his own in the final effort in the last quarter. Belle of Troy went in remarkably improved form and is evidently rounding too.

Winner—B. c, by Falsetto—Patroness (trained by C. F. Hill).
Went to post at 5:05. At post 2 minutes. Start good. Won easily; second the same. His Eminence is in great form, trailed Advance Guard and Lanceman when both made an early and ill-advised run on the backstretch and caught both tiring in the last quarter. Advance Guard, ridden right and saved for the last quarter, would probably have won easily. Lanceman quit after a fast brush on the far turn with Advance Guard. San Andres could not be kept from running wide on the turns.
Scratched—(33359) Fatalist, 103; 33358 Fancesco, 100; 33104 Trigger, 97; 33389 Tom Kenny, 97.
No show betting on first three.
